Review

"An inspired collaboration between spiritual teacher Eckhart Tolle and comic strip artist Patrick McDonnell...A book to make you wriggle with joy."

-- "O, The Oprah Magazine"

"A lovely meditation on the power and grace animals bring to our lives."

-- "The Bark"

"The gentle humor and profound insight found in this book -- thoughts such as 'Allow your dog to take you for a walk every day. It's good for the body and it's good for the soul' -- make it the perfect gift for animal lovers of all ages."

-- "Inspired Retailer"

"Eckhart Tolle and Patrick McDonnell fans will rejoice over "Guardians of Being", the combined effort of these bestselling authors. This beautiful, thought-provoking, and enlightening book pairs Tolle's 'Power of Now' mindfulness with McDonnell's beloved "MUTTS" characters, showing how we can find 'true happiness in simple, seemingly unremarkable things' by simply being present, a state that our dogs naturally occupy. The skillful use of the "MUTTS" animals to illustrate Tolle's theme renders his philosophy into easily grasped concepts. This thoroughly charming book deserves a place on your coffee table. While you're at it, why not pick up a copy for your best friend, too?"

-- "Modern Dog"

Praise for Eckhart Tolle:
