Michael Poliza Antarctic Michael Poliza

Following his stunning photo-safari in Africa and an unprecedented helicopter voyage from Europe to Africa in *Eyes over Africa*, the award-winning photographer has ventured to the polar regions. Poliza shows polar bears as they frolicked among purple fireweed against the majestic Arctic backdrop, varied and multicoloured icebergs, as well as a number of rare and endangered species. Poliza once again captures the most vulnerable treasures - still ensconced in our planet's few pristine landscapes.
