Turn your PC into the ultimate home entertainment hub

Watch 125 channels, record HDTV, enjoy super-quality game video, and more

When you use this book to help you make sense of video cards and other wondrous things, your PC will become downright entertaining! Here's how to assess your needs and equipment, choose the right video card, install, connect, and configure it, create your own PVR, work with Internet media, edit photos and video, and much more.

Discover how to

- \* Create an entertainment PC
- \* Choose the perfect video card
- \* Set screen resolution and color depth
- \* Add high-def and super sound
- \* Record and pause live TV
- \* Set up gaming software
