Pequeno Fracaso (Libros Del Asteroide) Gary Shteyngart

After three acclaimed novels, Gary Shteyngart turns to memoir in a candid, witty, deeply poignant account of his life so far. He shares his American immigrant experience, moving back and forth through time and memory with self-deprecating humor, moving insights, and literary bravado. The result is a resonant story of family and belonging that feels epic and intimate and distinctly his own. Provocative, hilarious, and inventive, *Little Failure* reveals a deeper vein of emotion in Gary Shteyngart's prose."
